

Chicago Center College Credit Form

Name _____

_____ I am auditing this program and do not wish to receive credit

You can skip the rest of this page.

_____ I will receive credit from Millikin University as a "Guest Student"

Read the box below. After you are accepted to the Chicago Center, this form is sent to Millikin University. You do not need to obtain the Registrar's signature on this form. Have this form signed by your Chicago Center Campus Liaison, if available.

If you attend a college or university not affiliated with the Chicago Center and are matriculating as a "Guest" student of Millikin University, you only need to complete this form, which we will send to Millikin University's registrar after we accept you. Millikin University will invoice you for tuition by email. The Registrar is Walt Wessel and can be reached at wwessel@millikin.edu or 1.800.747.6059, ext. 9. You are responsible for obtaining your transcript from Millikin University.

NOTE: "Guest Student" status does not apply to students who are already full time students of Millikin University.

For the following terms of study, these are the credits you will receive as a Guest Student of Millikin University:

May Term: SOC 350 for 4 credit hours

January Term: SOC 350 for 4 credit hours

Summer Session: SOC 350, 3 credit hours (for the Chicago Seminar) + SOC 355, 6 credit hours (for your Internship) = 9 credit hours total

Semester: SOC 350, 3 credit hours (for the Chicago Seminar) + SOC 355, 8 credit hours (for your Internship) + SOC 340, 3 credit hours (for the Directed Study) = 14 credit hours total

_____ My College or University is awarding me credit for a term at the Chicago Center

Below, write (from your college or university catalogue) 1. the course title(s) you're getting credit for 2. the number of units or credit hours, next to the name of the Chicago Center course. We list the typical number of credits most students receive, next to the name of our course. Have this form signed by your campus registrar and Chicago Center campus Liaison.
